

TRANSPORTATION DEPARTMENT[761]

Notice of Intended Action

Notice is also given to the public that the Administrative Rules Review Committee may, on its own motion or on written request by any individual or group, review this proposed action under section 17A.8(6) at a regular or special meeting where the public or interested persons may be heard.

Pursuant to the authority of Iowa Code sections 307.12, 307A.2 and 465B.2, the Iowa Department of Transportation hereby gives Notice of Intended Action to amend Chapter 165, "Recreational Trails Program," Iowa Administrative Code.

The proposed amendments to this chapter:

- Add new definitions and update the definition of "recreational trails fund."
- Correct contact information.
- Update implementation statutes and the chapter's implementation sentence.
- Remove or revise outdated, unnecessary language.
- Clarify that matching funds to state recreational trail funds may include funds from other state agencies, programs or in-kind costs.
- Include additional explanation of eligible project costs to include costs of right-of-way, design and utility costs. As a result, complementary changes were also made to the ineligible activities. The advance eligibility waiver process has been rewritten and now includes the ability to incur certain design costs.
- Rewrite the requirement that applications include a formal resolution from the jurisdiction to more clearly communicate requirements that a project be dedicated to public use and be properly maintained.
- Provide extra points in scoring for shovel-ready projects.

These amendments do not provide for waivers. Any person who believes that the person's circumstances meet the statutory criteria for a waiver may petition the Department for a waiver under 761—Chapter 11.

Any person or agency may submit written comments concerning these proposed amendments or may submit a written request to make an oral presentation. The comments or request shall:

1. Include the name, address, and telephone number of the person or agency authoring the comments or request.
2. Reference the number and title of the proposed rule, as given in this Notice, that is the subject of the comments or request.
3. Indicate the general content of a requested oral presentation.
4. Be addressed to Tracy George, Rules Administrator, Iowa Department of Transportation, Operations and Finance Division, 800 Lincoln Way, Ames, Iowa 50010; e-mail: tracy.george@iowadot.us.
5. Be received by the Department's rules administrator no later than July 11, 2017.

A meeting to hear requested oral presentations is scheduled for Thursday, July 13, 2017, at 1 p.m. in the Administration Building, First Floor, North Conference Room, Iowa Department of Transportation, 800 Lincoln Way, Ames, Iowa.

The meeting will be canceled without further notice if no oral presentation is requested.

After analysis and review of this rule making, no impact on jobs has been found.

761—165.19(465B) Advance eligibility of land acquisition and preliminary design costs incurred prior to funding commitment by commission.

165.19(1) Need for advance eligibility. If there is extreme urgency involving land acquisition or preliminary design and a necessity to protect or preserve a project corridor or to proceed with the preparation of project construction plans prior to a recreational trails program funding commitment, a potential applicant may submit a written request to the department for a determination of advance eligibility to incur costs for land acquisition or preliminary design immediately. A determination of advance eligibility by the department will allow specified costs incurred prior to a funding commitment by the commission to be eligible for reimbursement with recreational trails program funding without jeopardizing the project's eligibility for funding approval, but does not imply or guarantee that the commission will commit recreational trails program funding to a subsequent application.

165.19(2) Request, justification and review. The request must be received by the department prior to the expenditure and must include justification regarding the extreme urgency and necessity to incur costs prior to a recreational trails program funding commitment. A request for land acquisition must also include a description of the land to be acquired, a summary of the estimated costs, and a map showing the parcels to be acquired. Preliminary design requests must include a description of the

project scope, location map, and proposed cross section. If the request will include consultant design costs, a draft agreement between the jurisdiction and the consultant must be submitted which includes the scope of services to be rendered. Costs for recreational trails program application preparation and submission or project feasibility, route alignment studies or other planning expenses as cited in paragraphs 165.17(2) “c” and “d” remain ineligible for recreational trails program funding and shall not be included in a request for determination of advance eligibility. The department will review the submittal. If the requirements of this rule are met, the department will provide written confirmation of the determination of advance eligibility.

165.19(3) Requirements. Any cost incurred before the request is received by the department will be ineligible for reimbursement. Costs receiving a determination of advance eligibility must be noted in the subsequent recreational trails program funding application submitted to the department. Land acquired or design work completed following a determination of advance eligibility will not be eligible for reimbursement with recreational trails program funds if the property acquired or design work completed is not necessary to construct the proposed recreational trails program project included in the subsequent application. Design costs receiving a determination of advance eligibility may not exceed 10 percent of the total construction costs for the project. An application for funding which includes the expenditure must be received by the department within two years following the determination of advance eligibility, or the costs may become ineligible for recreational trails program funding.

ITEM 10. Amend rule 761—165.22(312) as follows:

c. An itemized cost estimate for the total project to be constructed showing for each item the cost and funding source. When a project is part of a larger multiphase project, the application shall differentiate the costs and scope of the proposed construction project from the costs and scope of the overall multiphase project.

d. ~~A time schedule for the total trail project with the applicant's written assurance of project completion as scheduled. A time schedule adjustment may be approved by the department if the project involves unusually complex studies, extensive real estate negotiations, extensive analyses for environmental clearances, complex planning for associated developments, or another compelling reason.~~

e. No change.

f. ~~An official endorsement of the application from the responsible authority and written assurance from that authority that the total trail used to justify the project~~ A formal resolution passed by the governing body of the responsible authority endorsing the application and the timeline for project completion provided therein. adequately maintained and made available for the intended public use for a minimum of 20 years after completion of the project ~~except as approved by the commission.~~

165.22(3) Funding requests.

~~a.~~ An applicant shall specify in the application the amount of the grant funding grant requested from the recreational trails fund program and may offer a matching fund contribution larger than is required.

~~b.~~ In lieu of a grant request, an applicant may request alternative funding, such as a loan at below market interest rate, a no-interest loan, or a partial repayment of principal.

A resubmitted application shall be dated when it is received in the office of project planning. An applicant may then submit a completed application for the next available funding cycle.

~~165.23(3)~~ 165.23(2) An application that is considered but not funded in one funding cycle may be resubmitted by the applicant for consideration in the next cycle.

~~165.23(4)~~ 165.23(3) An applicant may withdraw an application at any time.
